

## Report Group TM8 1.4

**Don't start those Report Groups from scratch any more! Build them from the ones you've already made.**

**IT'S AS EASY AS 1-2-3!**

1. Select a Source and Target MIP Organization database.
2. Then select the segment and Report Group Set you wish to copy.
3. Provide a new name for the copied Set and click the Copy Group button.

The new Group Set is ready to use in MIP Fund Accounting!

**Free utility for all users of MIP Fund Accounting!**
